## Yellow Rings

(Make 4, yellow yarn; one larger ring for head)

The exact number of chains in the ring will depend on the thickness of yellow yarn you are using. With yellow: chain approximately 10 loops and slip stitch with the first chain to form a loop. Follow off. Either sew on the yellow ring to the top of each limb or glue on with fabric glue (I sewed mine.)

For the head ring: use a larger chain (approx 15) than was used for the arm loops and slip stitch with the first chain to form a loop. Continue on the next round, repeating 'sc 2, inc' around until you reach the end of the round. Follow off and again either sew on or glue onto forehead.

**Felt Eyes** – Cut out felt in the shape of the eyes and glue the pieces onto the head. Tip: fold the felt in half and cut out the shape over two pieces to ensure the shapes are the same size.
